

DR. GERD HEUSCHMANN RETURNS TO FLORIDA—**EQUINE BIOMECHANICS AND SOUNDNESS SYMPOSIUM**

SAT MAY 19- MON MAY 21 2018

Dr. Gerd Heuschmann DVM comes to the US twice a year. We are delighted to have him back! Lessons will be at Magnolia Farms, Live Oak, FL.

Schedule for Saturday* and Sunday: Mornings are lecture and discussion. Lecture begins at 9 am each day. Part 1 is Saturday, Part 2 is Sunday. Lectures to be held at a close-by lecture facility with projector and other amenities. Following lunch, the Afternoons are lessons with Gerd.

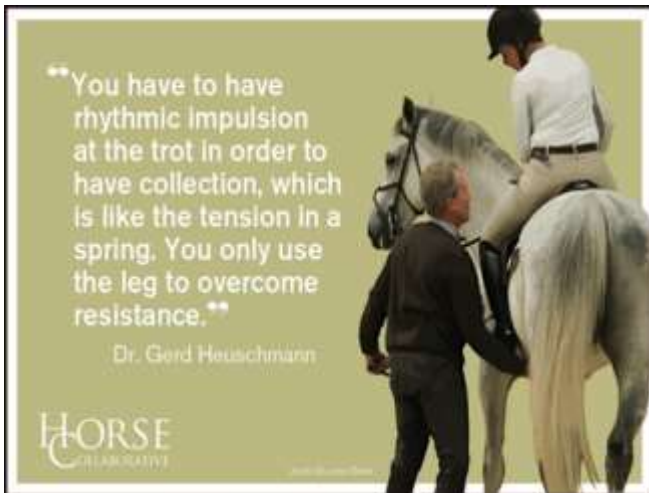

***Saturday: special lunch speaker, Jochen Schleese, of Schleese Saddlery (female saddle specialists)**

Monday, May 20, the entire day is lessons, plus a Q + A/recap of the weekend, with Gerd.

Costs: Lessons: \$225 per lesson , please see registration form for more info. Rider spaces are limited.

NON-RIDERS: COST \$230 FOR ALL THREE DAYS PREPAID OR \$200 PREPAID FOR 2 DAYS

(SATURDAY/SUNDAY) *Fee includes auditing the afternoon lessons, lectures by Gerd, and lunch.

World renowned veterinarian, Bereiter (Master Trainer), and author Dr. Gerd Heuschmann will present a two-day symposium on the Biomechanics of Soundness. Dr. Heuschmann is based at the Warendorf Veterinary Clinic associated with the German National Riding School. A respected international lecturer, Dr. Heuschmann educates equestrians on how to make the sport better for the horse. A true horse lover and voice for the horse, Dr. Heuschmann boldly speaks about the damaging effects of incorrect riding and training methods. He is the author of several books including “Collection or Contortion”, “Tug of War” and “Balancing Act”. He also has a DVD “ If Horses Could Speak”.
